CONDENSED REPORT OF THE TWENTY-FOURTH ANNUAL MEETING OF THE ALUMNÆ ASSOCIATION, JUNE 24, 1903.

The meeting was called to order by the president, Elva Hulburd Young, '96.

The Executive Board reported that invitations to the Alumnæ luncheon were extended to non-graduate members of Wellesley Clubs according to the previous ratio of one to each ten members, and announced the appointment of Clara R. Keene, '96, and Edith S. Tufts, '85, on the Historical Committee.

The Historical Committee proposed that in consideration of the meagre collection of historical data all College concert programs and publications and all class data be filed each year for the use of the committee.

The treasurer of the Shafer Memorial Fund reported, after deducting $1,068.00 for the framed portrait of President Shafer, a balance of $2,035.07.

The Palmer Memorial Fund Committee announced $2,141.50 available.

The following amendment on membership (Art. II.) was adopted by the Association:

The members of this Association shall be; *first*, all persons who have received from Wellesley College the baccalaureate degree in any department; *second*, all persons who have received from Wellesley College the Master's degree and who have applied for membership to the Executive Committee of the Association.

The recommendations proposed by the Executive Board were adopted:

1. That beginning with 1904, the usual form of the Register of the Alumnæ Association shall be hereafter biennially published, and shall alternate with a published list of the addresses of only the graduating class, together with the customary preface of the Register.

2. That on the payment of one dollar annually by a non-graduate, she shall be placed on the publishing list of the Association to receive all printed matter of the Association and shall have her post-office address entered in the Alumnæ Association Register under a heading distinct from the alumnæ.

It was voted that the president of the Alumnæ Association be empowered to appoint a committee of three to endeavor to raise money for a Wellesley College Alumnæ Association fellowship in conjunction with the College Settlements Association and the Association of Collegiate Alumnæ.

A resolution to perpetuate the memory of Mrs. Palmer in the records of the Alumnæ Association was offered and adopted.

The resolution was adopted that a Wenckebach Memorial Fund be established by the alumnæ, that the interest of said fund be at the disposal of the German Department for books and music for the department, and that the chair be empowered to appoint a committee to raise funds.

The following motion was adopted:

An alumna requesting a room at a certain date during commencement week shall be considered as cancelling her order unless she appears at that date by six o'clock in the evening, or gives notice before that hour that she desires the room to be held for her.

NOTE.—Net amount delivered by Income Fund to Wellesley College, Aug. 1, 1903, $2,200.00. Amount paid Shafer Memorial Fund, $241.00.

CONDENSED REPORT OF THE TWENTY-FIFTH ANNUAL MEETING OF THE ALUMNÆ ASSOCIATION, JUNE 22, 1904.

The meeting was called to order by the president, Elva Hulburd Young, '96.

The Executive Board reported the preparation of questions to secure information concerning the alumnæ, to be henceforth preserved in permanent form at the College, and suggested that the address given this spring at the College by the President of the Association become a precedent for a similar address each year to the graduating class at Wellesley, explaining the the work and objects of the Alumnæ Association and the duties of membership.

The College Settlements Committee reported through its Chairman, Emily B. Shultz, '94, that a sum had been raised slightly in excess of the required $200 for a joint fellowship with the College Settlements Association. The Association voted to accept this report with the recommendations: (1) that Wellesley help support a fellowship of $400; (2) that a new committee to secure funds, with the incoming Wellesley Alumnæ Elector as chairman, be appointed by the Chair.

Miss Miriam Hathaway, '97, was appointed the fifth member of the Historical Committee.

The treasurer of the Shafer Memorial Fund reported that by adding the balance on hand of $2,137.80 to the sum due this fiscal year from the Income Fund, the Shafer Memorial would then reach the required sum of $2,300. It was voted, therefore, that the fund thus completed be paid over to the College, and its treasurer discharged.

The Palmer Memorial Committee reported the amount of the year's subscriptions as $1339.25. It was voted, that the

incoming Executive Board have charge of all alumnæ contributions to this fund during the coming year.

The Wenckebach Memorial Committee reported a balance of $925.11. It was voted by the Association that on November, 1904, this fund be paid over to Wellesley College like other permanent library funds.

The election of Mrs. Bertha Palmer Lane, '91, to the trusteeship for 1904-10 was announced.

Miss Roxana H. Vivian, '94,was re-elected Alumna Editor of the *Wellesley Magazine.*

It was voted to observe the custom of the past two years and extend Alumnæ Luncheon invitations to two non-graduate representatives from each Wellesley Club.

Officers of the Association for 1904-06 were elected as follows:

Mrs. Ada Wing Mead, '87, President
Miss Alice W. Hunt, '95, Vice-President
Miss Helen M. Capron, '98, Recording Secretary
Miss Lilian B. Miner, '88, Corresponding Secretary
Miss Mary K. Conyngton, '94, Treasurer

The following amendment to the constitution was proposed:

To amend Section 6 of Article III by striking out the phrase, "of more than one year's standing", so that the first clause shall read: "The duties of the treasurer shall be to request an annual subscription of one dollar from all members".

It was voted that the Executive Board petition the College to place a room at the disposal of each class of ten years' standing or more, to be used as class headquarters during Commencement week.

NOTE.—Net amount delivered by the Income Fund to Wellesley College, Aug. 1, 1904, $1,924.84.

AGREEMENT WITH REGARD TO THE NOMINATION OF ALUMNÆ TRUSTEES.

The following agreement with regard to the nomination of alumnæ trustees was made by the trustees with a committee from the Alumnæ Association, Oct. 29, 1892, and ratified by the Association in June, 1893:

Section 1. The alumnæ trustees shall be three in number, each to serve a term of six years, one to be elected each alternate year.

Sec. 2. Graduates of seven years' standing, with the exception of members of the college faculty, shall be eligible as candidates for nomination to alumnæ trusteeships.

Sec. 3. Graduates of three years' standing shall be qualified to vote for the nominees to alumnæ trusteeships.

METHOD OF CHOOSING ALUMNÆ TRUSTEES.

Section 1. At the annual meeting of the Alumnæ Association of the year preceding that in which a choice of an alumna trustee is to be made, a nominating committee of five shall be elected by ballot, from a list of ten names previously prepared by the Executive Committee, to hold office for two years and to have charge of the arrangements of such choice.

Sec. 2. It shall be the duty of this committee to suggest to the alumnæ eligible to vote for trustees, names for nomination to the Board of Trustees in number equal to six times the number of vacancies to be filled, in addition to the name of the outgoing trustee eligible for re-election, and to circulate them by mail among the said alumnæ.

Sec. 3. A convenient form of ballot shall be sent with the list of names, and each alumna shall be requested to return said

ballot to this committee, after having nominated by writing on said ballot the name of the person she desires to have nominated on the official ballot.

Sec. 4. Together with the ballots for nomination shall be sent a brief statement of the residence, occupation, church connection and public record of each candidate proposed by the committee, with such other information as they deem appropriate.

Sec. 5. The ballots for nomination shall be sent out before January 1st of the year in which the choice is to be made, and shall be returned to the committee before March 1st. It shall then be the duty of the committee to count these ballots and to make up a ticket to be used in voting on the nominees of the alumnæ; and the names of the two persons having the highest number of votes for nomination shall in order be placed on the ticket as nominees for the trusteeship of six years to be filled at that election.

Sec. 6. If more than one trustee is to be elected, the number of names on the official ballot is always to be at least two for each trustee to be chosen.

Sec. 7. Additional nominations of candidates, which will also be placed on the official ballot, may be made by certificate signed by not less than thirty alumnæ eligible to vote for trustees. All such certificates must be addressed to and deposited with the chairman of the nominating committee before March 15th. Blank certificates may be had on application to the chairman.

Sec. 8. A copy of this official ballot shall be mailed before April 1st to each voting alumna who may cast her vote by marking with a cross the name of the candidate of her choice and returning her ballot, signed with her name, before June 1st, to the chairman of the nominating committee, and such ballot shall be counted as if cast by the alumna in person; but no vote received after June 1st shall be counted.

Sec. 9. The committee shall sort and count such votes, checking the name of each voter before her ballot is accepted upon a complete list of persons then qualified to vote for alumnæ trustees, and shall declare the result of the election before the first meeting of the trustees in June.

Sec. 10. The names of the persons voted for and the number of votes received for each person, shall be entered in words at length by said committee upon a record kept by them for that purpose, which shall be forthwith made up, signed and delivered by them to the Board of Trustees.

The committee shall also report its proceedings in full at the Alumnæ meeting immediately following the Commencement on which the election of trustees has been held.

Sec. 11. The person who shall receive the highest number of votes shall be considered the choice of the alumnæ for trustees as follows, to wit:—The one receiving the highest number of votes shall be considered the choice of the alumnæ for the term of six years; and in case any other vacancy or vacancies exist in the number of alumnæ trustees, the persons voted for shall be declared chosen for such vacancy or vacancies according to the number of votes received by them, the person receiving the next highest number of votes being the alumnæ choice for the vacant trusteeship, having the next longest term to run and so on.

Sec. 12. In case, by reason of a tie, it shall be uncertain who shall be declared the choice of the alumnæ, the Board of Trustees shall be requested to determine by vote which of the two receiving the same number of votes shall be declared elected.

Sec. 13. In case of a vacancy in the number of the alumnæ trustees caused by death or resignation, a new election shall be in order, the committee who served for the previous election having charge of the new election.

Sec. 14. This motion shall take effect on its passage.

Sec. 15. This method is subject to amendment upon previous notice and by a two-thirds vote of the members present at any regular annual meeting.

Adopted June 1895, amended as above in 1896, in 1900 and in 1904.

A quorum shall consist of fifty members of the Association.

Article VII. Majority.

The required majority for electing any officer, or for passing any motion, apart from an amendment to the constitution, shall consist of a two-thirds vote of the members present.

Article VIII. Nominations.

Section 1. Nominations for office shall be made by the Executive Committee, who shall previously prepare and present to the Association two lists of candidates, whereupon any name may be erased, and any other substituted at the discretion of the voter.

Sec. 2. Committees shall be nominated by the Association, except when the appointment of such committees is entrusted by special vote to the President.

Article IX. Elections.

Section 1. Officers. *All the officers shall be chosen once in two years, to serve for two years. All the officers shall be chosen by ballot.* All officers shall retire from duty on the first of September following the election of their successors. The fiscal year shall begin on September first.

Sec. 2. Committees not appointed by the President shall be elected by acclamation.

Article X. Amendments.

Any proposed amendment of the constitution must be handed to the Recording Secretary, who shall present it to the Association. One year thereafter it may be adopted by a three-fourths vote.

AGREEMENT WITH REGARD TO THE NOMINATION OF ALUMNÆ TRUSTEES.

The following agreement with regard to the nomination of alumnæ trustees was made by the trustees with a committee from the Alumnæ Association, Oct. 29, 1892, and ratified by the Association in June, 1893:

SECTION 1. The alumnæ trustees shall be three in number, each to serve a term of six years, one to be elected each alternate year.

SEC. 2. Graduates of seven years' standing, with the exception of members of the college faculty, shall be eligible as candidates for nomination to alumnæ trusteeships.

SEC. 3. Graduates of three years' standing shall be qualified to vote for the nominees to alumnæ trusteeships.

METHOD OF CHOOSING ALUMNÆ TRUSTEES.

SECTION 1. At the annual meeting of the Alumnæ Association of the year preceding that in which a choice of an alumna trustee is to be made, a nominating committee of five shall be elected by ballot, from a list of ten names previously prepared by the Executive Committee, to hold office for two years and to have charge of the arrangements of such choice.

SEC. 2. It shall be the duty of this committee to suggest to the alumnæ eligible to vote for trustees, names for nomination to the Board of Trustees in number equal to six times the number of vacancies to be filled, in addition to the name of the outgoing trustee eligible for re-election, and to circulate them by mail among the said alumnæ.

SEC. 3. A convenient form of ballot shall be sent with the list of names, and each alumna shall be requested to return said ballot to this committee, after having nominated by writ-

ing on said ballot the name of the person she desires to have nominated on the official ballot.

Sec. 4. Together with the ballots for nomination shall be sent a brief statement of the residence, occupation, church connection and public record of each candidate proposed by the committee, with such other information as they deem appropriate.

Sec. 5. The ballots for nomination shall be sent out before January 1st of the year in which the choice is to be made, and shall be returned to the committee before March 1st. It shall then be the duty of the committee to count these ballots and to make up a ticket to be used in voting on the nominees of the alumnæ; and the names of the two persons having the highest number of votes for nomination shall in order be placed on the ticket as nominees for the trusteeship of six years to be filled at that election.

Sec. 6. If more than one trustee is to be elected, the number of names on the official ballot is always to be at least two for each trustee to be chosen.

Sec. 7. Additional nominations of candidates, which will also be placed on the official ballot, may be made by certificate signed by not less than thirty alumnæ eligible to vote for trustees. All such certificates must be addressed to and deposited with the chairman of the nominating committee before March 15th. Blank certificates may be had on application to the chairman.

Sec. 8. A copy of this official ballot shall be mailed before April 1st to each voting alumna who may cast her vote by marking with a cross the name of the candidate of her choice and returning her ballot, signed with her name, before June 1st, to the chairman of the nominating committee, and such ballot shall be counted as if cast by the alumna in person; but no vote received after June 1st shall be counted.

Sec. 9. The committee shall sort and count such votes, checking the name of each voter before her ballot is accepted, upon a complete list of persons then qualified to vote for

alumnæ trustees, and shall declare the result of the election before the first meeting of the trustees in June.

Sec. 10. The names of the persons voted for and the number of votes received for each person, shall be entered in words at length by said committee upon a record kept by them for that purpose, which shall be forthwith made up, signed and delivered by them to the Board of Trustees.

The committee shall also report its proceedings in full at the Alumnæ meeting immediately following the Commencement on which the election of trustees has been held.

Sec. 11. The person who shall receive the highest number of votes shall be considered the choice of the alumnæ for trustees as follows, to wit: The one receiving the highest number of votes shall be considered the choice of the alumnæ for the term of six years; and in case any other vacancy or vacancies exist in the number of alumnæ trustees, the persons voted for shall be declared chosen for such vacancy or vacancies according to the number of votes received by them, the person receiving the next highest number of votes being the alumnæ choice for the vacant trusteeship, having the next longest term to run and so on.

Sec. 12. In case, by reason of a tie, it shall be uncertain who shall be declared the choice of the alumnæ, the Board of Trustees shall be requested to determine by vote which of the two receiving the same number of votes shall be declared elected.

Sec. 13. In case of a vacancy in the number of the alumnæ trustees caused by death or resignation, a new election shall be in order, the committee who served for the previous election having charge of the new election.

Sec. 14. This motion shall take effect on its passage.

Sec. 15. This method is subject to amendment upon previous notice and by a two-thirds vote of the members present at any regular annual meeting.

Adopted June, 1895, amended as above in 1896, in 1900 and in 1904.

CONDENSED REPORT OF THE TWENTY-FIFTH ANNUAL MEETING OF THE ALUMNÆ ASSOCIATION, JUNE 28, 1905

The meeting was called to order by the President, Mrs. Ada Wing Mead, '87.

The Executive Board reported as follows:

A. Additions to the Alumnæ Association equipment.

1. The gavel, presented by the Springfield Board of 1902-04.
2. The Alumnæ seal, presented by the Alumnæ Trustees.

B. Alumnæ subscriptions.

$700.00 was received from the first request, sent out in December; and $250 from the second, issued the last of April.

C. Non-graduate information.

27 non-graduates sent one dollar each in response to the invitation to have their names placed on the publication list.

D. Alumnæ Register.

Several radical changes were made in the Alumnæ Register:

1. In changing the form to one conforming with that of the other college publications.
2. In printing the names of Alumnæ in class lists as well as in the usual alphabetical list.

E. Alumnæ record slips.

Blanks for Alumnæ records were sent to all classes from 1879-1895 inclusive, except '79, '84, '89 and '94, to whom they had already been sent by the previous Board. About 950 were sent out and 500 were returned and handed over to the Chairman of the Committee on Vital Statistics, Miss Case.

NOTE. Since the Alumnæ Association was formed in 1880, the meeting in 1905 is the twenty-fifth *annual* meeting. But, by a change in reckoning, continued since, the meeting in 1889 was called the tenth annual meeting, and that in 1904 the twenty-fifth. The use of the new Alumnæ seal renders the correction at this time advisable.

F. Appointments.

1. Vice-President of the Association in place of Miss Hunt (resigned because of intended absence in Europe)—Mrs. Emily Meader Easton, '91.

2. Income Fund Committee—Miss Anna Palen, '88, Chairman; Miss Jennie R. Beale, '96, Corresponding Secretary; new member, Miss Mary Tyler, '97-'98, Recording Secretary.

3. Fifth member of the Historical Committee—Edith M. Kingsbury, 1905.

4. Wellesley Alumnæ Elector of the College Settlements Association and Chairman of the Fellowship Committee to serve as W. C. A. A. member of the Committee of Award—Miss Emily Poole Baxter, '97.

G. Formation of a Rhode Island Wellesley Club of 38 members, May 27, at the suggestion of the Executive Board.

The Income Fund Committee submitted a report which may be found on page 15 of this Supplement.

The Historical Committee submitted a report which may be found on page 20 of this Supplement.

On motion of Mrs. North, '79, it was voted:

That the Historical Committee be requested to prepare a complete list of the gifts, both in money and equipment, which have been made to the College from the Alumnæ and non-graduate students, through the Association, or the Clubs, or as individuals, and report the same at the next annual meeting of the Association; that it shall hereafter be the duty of the Historical Committee to preserve this list, as a part of the permanent record of the Association, maintaining it from year to year, and to present annually to the Association a statement of the gifts received from these sources for the preceding year.

The Organ Committee submitted a report which may be found on page 22 of this Supplement.

The College Settlements Association Fellowship Committee submitted a report which may be found on page 24 of this Supplement.

The report of the sixteen Wellesley clubs was read, all showing a hearty interest in Wellesley and a desire to help in active work for their Alma Mater.

Miss Mabel M. Young, '98, was elected Alumnæ Editor of the *Wellesley Magazine.*

The result of the election of the Committee to superintend the election of an Alumnæ Trustee was as follows: Miss Eliza Kendrick, '85; Mrs. Emily Norcross Newton, '80; Miss Laura Jones, '82; Miss Grace Caldwell, '95; Miss Mary Dewson, '97.

It was voted:

To amend Sec. 6 of Article III of the Constitution by striking out the phrase, "of more than one year's standing," so that the first clause shall read, "The duties of the Treasurer shall be to request an annual subscription of one dollar from all members."

The Executive Board recommended:

A. That the question of the entertainment of the graduating class be left permanently to the discretion of the Executive Board, instead of being acted upon each year. This recommendation was unanimously adopted.

B. That Article VIII, Sec. 1 of the Constitution be amended by striking out the words "two lists," and substituting the words, "a list," making the first clause read: "Nominations for office shall be made by the Executive Committee, who shall previously prepare and present to the Association a list of candidates, etc."

C. That the question of payment of life subscriptions to the Association be considered. After some discussion it was voted that a committee of three be appointed by the Chair to consider the question of life membership subscriptions and present their conclusions to the Association next June.

The question of adequate payment of the Alumnæ Editor of the *Wellesley Magazine* and of *College News* was discussed

at length, and a motion to guarantee a small salary for the next two years to this Editor was lost.

The motion was made and carried that, as the organization of chapters of Phi Beta Kappa in other colleges has included a certain number of Alumnæ in all classes prior to the year of organization, the Alumnæ of Wellesley would respectfully inquire why membership in the Wellesley Chapter is not similarly inclusive.

President Hazard came before the Association to present the status of the Library Fund. The Trustees had authorized the acceptance of the gift of $125,000 for a library by Mr. Andrew Carnegie, a gift made with the provision that the College raise an equal amount. The offer was made May 20, and on June 27 $27,000 was already pledged. Miss Hazard explained that the urgent need of a library made every possible assistance necessary. It was voted that an Alumnæ committee be appointed by the Executive Board in consultation with the College to have in charge the raising of funds to aid in meeting Mr. Carnegie's offer,—funds so raised to be credited to the Alumnæ General Endowment Fund. It was also voted that the Secretary of the Association be requested at once to inform the Secretary of each class and of each Wellesley Club of the inauguration of the Alumnæ General Endowment Fund, and ask that they designate their gifts for this purpose.

Helen M. Capron,

Recording Secretary.

REPORT OF THE INCOME FUND COMMITTEE
(Abridged)

ANNA PALEN, '88, *Chairman*

As this is the fifth year of the Income Fund, and as your committee is sometimes called upon to answer the question, "Just what *is* the Income Fund?" it may not be out of order to preface the annual statement with a brief account of the origin, purpose and history of the Fund.

The idea of this Fund was the outgrowth of the work of the Endowment Fund Committee. This committee, a joint one of the Trustees and Alumnæ, was formed in the spring of 1899 for the purpose of raising $200,000; one hundred thousand to cancel the floating indebtedness of the College, and one hundred thousand for endowment. In June, 1900, the successful completion of this task was announced. So cordial and ready had been the response of the Alumnæ to the appeals of the committee, that the latter felt that advantage should be taken of the great enthusiasm created. To ask for a further large sum toward the Endowment Fund did not seem wise, after the great effort which had been made; but the plan to make an annual gift to the College equal to the *interest* on a *substantial endowment* seemed a most feasible one. Those who were present at the Barn when this plan was proposed will remember with what enthusiasm it was received; that the committee were justified in their expectations was shown by the fact that the pledges made on Alumnæ Day in 1900 amounted to $1,000.

A committee was appointed at that time to make recommendations as to the management of the Fund. Mrs. Pearmain, who had been Secretary of the Endowment Fund, carried the

work of the Fund through its initial year, sending out to all Alumnæ a statement in regard to the Income Fund, a portion of which read as follows:

"This plan for an income fund is proposed for the following reasons:

First. While the enthusiasm and interest of all concerned has undoubtedly been equal to raising the promised endowment of $100,000, that sum has been provided by the generosity of a single individual, Mr. John D. Rockefeller. Accordingly many of us feel that it would be a great satisfaction if we personally, in fulfillment of our first plan, could provide the College with the interest, if not the principal, of an additional endowment of at least $100,000.

Second. The income of the College is not yet sufficient to cover necessary expenses, and a sufficient Income Fund will meet the deficiency.

Third. An Income Fund gives the opportunity, desired by so many, to make small contributions from time to time directly to the College. These contributions eventually will prove a great source of strength to the College, not only in money value but in holding the personal, active interest of a large body of Alumnæ, former friends and students.

Fourth. A similar plan has for ten years proved a great success at Yale University. During the past year $12,400 were raised, a part of which amount went to a permanent endowment and the remainder to the College authorities for current expenses. A feature of each Yale Commencement is the announcement by classes of the amount raised for this fund."

In response to this circular many more pledges were received. In 1901 an Income Fund committee was appointed according to the recommendations of the committee appointed in 1900. This is a standing committee of the Alumnæ Association and serves for a period of two years. Mrs. Pearmain was chosen chairman, and her committee succeeded in still further increasing the number of subscribers, by communicating with every former student of the College not a graduate.

By this time, every one who had been in any way connected with the College had had some communication in regard to the Income Fund. Since that time the Fund has been presented to the outgoing Senior class either by the President of the Alumnæ Association, or by Dean Pendleton, who represents the Fund at the College.

When the Fund was started the Helen A. Shafer Memorial Fund was not yet completed, and those who subscribed to the Income Fund might so indicate if they wished their subscription to be applied to the Helen A. Shafer Fund. So, until the completion of this Fund, amounts so subscribed have been turned over to it each year. Last year the final payment was made. Now all money received, except that needed for expenses, is turned over to the Trustees for the current expenses of the College.

YEARLY STATEMENT.

1901.

The total amount received in 1901 was	$2,068 74
Paid Shafer Memorial Fund	404 00
Expenses	74 57
Amount turned over to Trustees	1,590 17

1902.

The total amount received in 1902 was	$2,915 93
Paid Shafer Memorial Fund	323 00
Expenses	79 76
Amount turned over to Trustees	$2,513 17

1903.

The total amount received in 1903 was	$2,482 68
Paid Shafer Memorial Fund	241 00
Expenses	41 68
Amount turned over to Trustees	$2,200 00

Last year on Alumnæ Day were reported $2,052.25. By August 1st, the date on which our annual gift is made to the College, there had come in $2,144.02, and the report for 1904 is as follows:

Total amount received in 1904 was	$2,142 92
Paid Shafer Memorial Fund (final payment)	162 20
Expenses	56 93
Amount turned over to Trustees	$1,923 79

The report for 1905 to date is as follows:

Received on 1905 pledges, overdue pledges and advance payments	$1,966 90
Expenses as follows:	
Postage—182 Third notices for 1904	3 85
Postage—1,265 First notices for 1905	26 80
Postage—429 Second notices for 1905	8 89
Extra postage	55
Printing 1,500 notices and 1,500 statements	7 50
Total	$47 59
Leaving balance available for our annual gift	$1,919 31

During the year four pledges amounting to $9 have been canceled by death; 26 pledges amounting to $71.50 have been withdrawn. This is more than balanced by the 88 pledges from the class of 1904, amounting to $109. It is extremely difficult to estimate just how many subscribers there are to the Fund, as names must be carried until notice of withdrawal is given. A rough estimate would be 1,450 subscribers, who have, at one time or another, pledged to the Fund. Many of these have been canceled by withdrawal or failure to pay for some years. There are still 22 unpaid subscriptions for 1903; 83 for 1904; 324 for 1905. During the year payments have been received from 874 subscribers, plus some few who have paid in advance. Some pledges also have matured this year, having been made for a certain period of years.

The sum announced as our annual gift to the College each year may not seem very large, but it has averaged over $2,000, and that sum is equal to the interest at four per cent. on a fund of $50,000.

The committee recommends, as usual, that the balance in the treasury on the first of August, after all expenses are paid, shall be turned over to the Trustees as the annual gift of the Income Fund to be applied toward the current expenses of the College.

As the College fiscal year closes the first of August and as at that time our gift is turned over to the Trustees, our committee recommends that the new Income Fund committee assume its duties at that date.

NOTE. The amount turned over to the college Aug. 1, 1905, was $2,039.31.

REPORT OF THE HISTORICAL COMMITTEE
(Abridged)

MARY WARREN CAPEN, '98, *Chairman*

At the meeting of the Alumnæ Association in '96 a committee of five was appointed: (1) To keep themselves informed as to the aesthetic condition of the college buildings and grounds, and to make a record of such objects as would add to their beauty; (2) To inform on these subjects any friends of Wellesley—especially the Wellesley Clubs—that might have the ability and desire to aid in developing this side of college life, and wish to know how their money might best be placed to secure this end.

These objects were kept in view by the committee, but as opportunities for a broader service were suggested the Association was requested to change the name.

In 1900 the name of Aesthetic Committee was changed to Historical Committee, and the committee was made permanent by the appointment of a new member each year to serve for five years. The duties of the committee were enlarged to include the making of a permanent collection of all printed matter relating to the Alumnæ Association and to important events at the College, and the collecting of a file of *Wellesley Magazines*, class books and Alumnæ Registers.

As this collection of Wellesley memorabilia grew, it was arranged and catalogued by the committee and housed in a case set apart in the College library.

In 1903 the recommendations under which the committee is at present working were adopted by the Association, namely: (1) That the Director of Music be instructed to file all College concert programs for the past year and hereafter,

(2) That each Corresponding Secretary be urged to file all printed matter from her class, (3) That the Secretaries of the classes now in College be requested to furnish all class data at the close of the year, and (4) That the business managers of the College publications be invited to present a file of the year's publications.

This year the committee issued an appeal requesting each alumna to bring or send to the College by Commencement, copies of her publications, whether books or contributions to papers or periodicals, however insignificant such publications might seem to the writer.

A few books, magazine articles and clippings have been received, but they came from only ten alumnæ.

The committee recommends that each year the chairman be allowed to spend, for anything needed for the collection, a sum not exceeding an average of $5 per year.

REPORT OF THE ORGAN COMMITTEE *(Abridged)*

ALICE CLEMENT TRUITT, '91, *Chairman*

At a meeting of the Wellesley Alumnæ Association in June, 1897, a committee of five alumnæ was appointed to investigate the means and to properly effect the transfer of the Chapel Fund to the Alumnæ Association and to use the money so obtained in the purchase of an organ for the new Houghton Memorial Chapel.

The aforesaid Chapel Fund had been accumulating for approximately ten years and was in the trusteeship of Hon. William Claflin, of Boston. A full account of the proper transfer of said fund to the control of the Alumnæ Association is contained in the filed report to the Alumnæ Association submitted by the Organ Committee in June, 1898. The fund, as transferred to the Alumnæ Association, was approximately $10,000. Acting under constant advice from five superior organists and musicians, and with the entire approval of the Advisory Committee from the Board of Trustees, the Committee awarded the building of the organ on June 16, 1898, to George S. Hutchings, of Boston.

The contract for the building of an $8,000 electric-action organ was signed by Alpheus Hardy, of Boston, acting as present custodian of the fund and as official agent of the Organ Committee.

The beautiful organ in the Houghton Memorial Chapel was builded during the following months. At the meeting of the Alumnæ Association in June, 1898, the committee which had charge of the building of the organ was made a permanent committee in charge of the surplus (about $2,000) remaining from the Organ Fund. Miss Alice S. Clement was made chairman of this committee, on account of the withdrawal of

Mrs. Page. In accordance with the committee's recommendation, the Association voted to devote the income of the $2,000 to the future care of the organ.

Thanks to Mr. Claflin's exceptional original investments, that $2,000 yields annually $130. It is held intact in the College treasury and the disbursement of the income is made by the College cashier on bills approved by Mr. H. C. McDougall, now the College organist and the Director of the School of Music. The annual cost for keeping the organ in repair has far exceeded the $130 income of our $2,000 fund. The indispensable electric action is in itself a complex mechanism, expensive to keep in order. Unforeseen outlay has been occasioned by the swelling and contraction of the wooden parts caused by the dampness of the cellar under the organ. As the cement floor did not, as had been expected, obviate this difficulty, some newly adapted electric heaters are now being used to dry the cellar space. All expense in excess of the income from the Organ Fund has been met by the general treasury of the College, so that the principal remains intact. It is encouraging to note that the sum expended yearly for maintenance and repairs has diminished.

I submit the following figures from Mr. Gould, the College cashier:

Expenditures on the organ for repairing, tuning, etc., in the college year 1900-1901 approximately $200*; 1901-1902 approximately $280; 1902-1903 approximately $150; 1903-1904 approximately $150.

Mr. McDougall, the organist, is enthusiastic in his praise of the organ's uncommon beauty of tone and its capacity for many varied effects. He especially commends also the electric action and the movable console.

---

* I would add that in 1900–1901 $325 was expended in addition to the $200 mentioned above, for a new stop requested by some visiting organist, who came to give a recital.

REPORT OF THE COLLEGE SETTLEMENTS ASSOCIATION FELLOWSHIP COMMITTEE *(Abridged)*

EMILY POOLE BAXTER, '97, *Chairman*

The College Settlements Association, realizing the importance of the scientific sociological investigation which had been carried on by its Fellows, proposed in 1903 to establish a Fellowship Fund in co-operation with the alumnæ of each one of the large colleges for women. At the annual meeting of that same year the Wellesley College Alumnæ Association entered heartily into the plan of the College Settlements Association and appointed a committee of three, with Miss Shultz, the Wellesley Alumnæ Elector of the College Settlements Association, as Chairman, to raise money and to make the necessary arrangements for the Fellowship. The cost of the Fellowship was to be four hundred dollars per annum; of a Scholarship, three hundred; and this expense the College Settlements Association and the Wellesley Alumnæ Association were to divide equally.

Work was at once begun by the committee in charge. Circulars describing the Fellowship were mailed, through the kindness of the Alumnæ Association, to all Alumnæ. Appeals were sent to every member of the Wellesley Chapter of the College Settlements Association asking for contributions, either for current expenses, annual subscriptions, or an Endowment Fund. Personal notes were written to Wellesley Clubs and to friends, both of Wellesley and of the Settlement movement. Classes holding re-unions in June, 1904, received appeals for aid, the classes of '94, '98, 1902 and 1904 responding with donations for current expenses; the Class of 1901 contributing to the Endowment Fund, and 1903 offering an annual subscription.

By a vote of the Wellesley College Settlements Association Chapter the officers were empowered to pay over to the Fellowship Fund any money in the Treasury which they thought could be spared after paying the running expenses of the Chapter. In accordance with this vote the Chapter has been able to aid the Fellowship materially. The surplus for 1904 amounted to fifty-five dollars, and for this year to forty dollars.

By the summer of 1904 the Committee had secured the two hundred dollars necessary for the first year, though no provision had been made for the future, and the Joint College Settlements and Wellesley Alumnæ Association Fellowship was successfully launched with Miss Clara More, 1904, as the first Scholar. The present Wellesley Elector succeeded Miss Shultz as Chairman of the Fellowship Committee, the latter generously consenting to remain on the committee as Treasurer.

The College Settlements Association, at its meeting in October, 1904, voted to pay its half of the Fellowship, two hundred dollars, only to the first four who should present themselves with their share already secured, not to every college raising the required other half. This meant prompt action if Wellesley did not wish to be left to secure, unaided, the entire four hundred dollars requisite for the full Fellowship. Letters were sent to several Wellesley Clubs, with the gratifying result of not a single refusal. The Denver, Philadelphia, and Pittsburg Clubs responded generously, the last-named with its splendid gift of one hundred dollars, enabling Wellesley to stake her claim and secure the coveted offer of the College Settlements Association for this coming year. The New York Club also endeavored to aid the Fund, and it is believed that a gift from its treasury is to come before long.

During the past year appeals have again been made to friends, and the sum accruing from these gifts, together with the donations already received from clubs, classes and the Wellesley Chapter amounts to six hundred and thirty-one dollars and sixty-six cents ($631.66). Deducting from this the

one hundred and fifty dollars ($150), the half of the Scholarship paid to the College Settlements Association, there is left a balance on hand of five hundred and ninety-one dollars and sixty-six cents ($591.66).

This is felt to be an excellent start, especially as there is hope that the Classes holding re-unions this June may swell the already goodly amount. Yet the future is precarious if the Fellowship is to depend upon desultory appeals to friends and the generous but usually depleted treasuries of Wellesley Clubs and Classes. It is the hope of the committee to secure the permanence of the Fellowship by an Endowment Fund.

It is with much pleasure that the Fellowship Committee presents so good a showing at the close of its second year's work. But, because a measure of financial success alone never arouses a deep interest in any cause, it seemed advisable to outline the actual relation between the College and the Settlement as embodied in the Scholarship principle.
